

SSL Rules

The Summer League will run for 13 weeks from Sunday 9th January to Monday 4th April

The League week starts on a Sunday and finishes on a Saturday. You can therefore put 2 scores in from one weekend of skiing or tournament.

The skier's 8 best scores from the 13 weeks will count. The 8 best rounds will be added together to establish the skier's Final Result

The Slalom League works on an honour basis and the skiers email their own scores to suecrisp@bigpond.com.

LEAGUE SET

A skier may submit the best score that they have skied during the week from either training or a tournament

The score is taken from when a buoy or gates are missed or the skier falls.

A skier may repeat a line length e.g. if you are being coached, and still submit that score

The League Set should be done at a Water Ski Club or at a recognised tournament

The boat should have cruise control working or someone checking the times in the boat with a stop watch

No judges are needed; the skier puts in his own score.
