Presidents Report

Firstly and most importantly I would like to welcome everyone to the upcoming season. Here's hoping for lots of great skiing weather. Secondly I would like to welcome the new committee for the 2007/2008 financial year.

This year we required 6 new members. Congratulations to Tim Day (Treasurer), Adele Holden (Secretary), Stephen Burns (Committee member). Ongoing thanks to our members in their second year of office Ray Perrett (Vice president), Graham Horton (Club Captain), Frances Gatfield (Committee member), Ashleigh Creek (committee member), Darren Wiffen (committee member). We still have vacancies and would love to hear from anyone who would like to join this vibrant Committee. It was fantastic to see so many members turn up for the AGM. We appreciate your support.

Of course we need to make special thanks to our outgoing committee members for their commitment to the club over the past few years. Leanne Madden as Secretary and Anthony Jones as Treasurer. Also thanks to Jamie Madden and Mark Young for their roles as committee members. Everyone contributes an enormous amount to the club in terms of ideas, energy and tasks, for this we thank you all.

Included in this newsletter is a calendar of dates for Ski Schools. Our ski schools were expertly run and operated last season by Graham Horton and his willing band of coaches, caterers and boat drivers. To ensure these days are a success we need to stress the importance of registering prior to the day. We may not be able to offer ski school to people who turn up unregistered as we plan drivers, coaches and catering around our registered participants. Thank you for your consideration in this matter.

Also in this copy of our newsletter are dates for VWSF tournaments, boats for sale, and information regarding Boat Scrutineering.

A reminder to all members that your membership is automatically terminated as of October 1st if fees remain unpaid.

Look forward to seeing members around the club over the coming season.

Glenn Sheldon

2003 Malibu Response
\$42,000-00 neg.

APRIL					

Congratulations and Good Luck.....

- Congratulations to Josh Horton for his recent success representing Victoria in Hockey securing a Silver medal along with his team mates.
- Best wishes to all skiers for the upcoming tournament season. May you all achieve your personal best.

Volunteer Small Equipment Grant

Congratulations to the Committee for successfully obtaining a **Volunteer Small Equipment Grant** to the value of \$960. Funding was applied for in August and we are now able to purchase a safety/notice board, spinal board with straps, neck brace and marine first aid kit for the club. These items will be fantastic when hosting tournaments and ski schools and also for general use by all members. Well done!

Working Bee #1

**Sunday 18th November 07
starting at 9 o'clock**
